Current Student Status _____

Please provide a short paragraph explaining why you want to study acting. You may use additional space on back of sheet.

Please include with this application:

- One (1) letter of recommendation- must be sent separately. *(Must include address and telephone number of the referring party. The letter should be from instructors, industry professionals, or persons who can recommend the applicant's character, potential and commitment)*
- One (1) picture and resume *(description of applicant's acting experience)*
- A \$75 non-refundable application fee *(payable to T. Schreiber Studio, Inc.)*
- **Interview/audition** consisting of a 2-minute contemporary monologue. Call the studio for an appointment.
- **Out-of-town applicants only:** may mail a DVD or email a weblink with the applicant performing two contrasting monologues.
- International students whose native language is other than English must demonstrate sufficient competence with spoken and written English. This is a necessary step to prevent problems with faculty and student verbal communications that might impede a student's learning and development. This proficiency is determined through the application and audition process.
